Multitubo System 1

DW Verbundrohr GmbH

STATEMENT OF KIWA

This technical approval-with-product certificate on the basis of BRL 5611 Plastics piping systems of PE-RT/Al intended for heating installations: radiator connections issued on 25 October 2016 by Kiwa, in accordance with the Kiwa Regulation for Certification.

The quality system and the product characteristics belonging to the Multitubo System 1 are checked periodically and the performance of the Multitubo System 1 in the application as floor heating is assessed. The basic principles for the assessment are checked periodically.

Based on this Kiwa declares that :

- legitimate confidence exists that the by the holder of the technical approval- with-product certificate delivered Multitubo System 1 comply with :
 - the technical specifications as laid down in this technical approval-with-product certificate;
 - the product requirements as laid down in this technical approval-with-product certificate , provided that they have been marked the Multitubo System 1 System with the KOMO[®]-mark in the manner as indicated in this technical approval-with-product certificate;
- the Multitubo System 1 provides the performances as described in this KOMO technical approval-with-product certificate, provided that:
 - the application conditions and technical specifications as described in this KOMO approval-with-product certificate are met;
 - the manufacturing takes place according to the processing methods as laid down in this technical approval-with-product certificate.

Within the framework of this KOMO technical approval-with-product certificate there is no inspections with regard to the production of other parts of the Multitubo System 1 or the processing of the Multitubo System 1.

Ronald Karel
Kiwa

This product certificate is only valid in combination with a KOMO certified plastics piping system.
