Multitubo System

DW Verbundrohr

STATEMENT BY KIWA

This technical approval-with-product certificate on the basis of BRL 5611 Plastics piping systems of PE-RT/Al intended for heating installations: radiator connections dated 25-10-2016 issued according to the Kiwa-Regulation for Certification.

The quality system and the product characteristics belonging to the Multitubo System are checked periodically and the performance of the Multitubo System in the application as floor heating is assessed. The basic principles for the assessment are checked periodically.

Based on this, **Kiwa declares that** there is legitimate confidence that:

- legitimate confidence exists that the by the holder of the technical approval- with-product certificate delivered Multitubo System comply with:
 - the technical specifications laid down in this technical approval-with-product certificate;
 - The product requirements laid down in this technical approval-with-product certificate, Provided that the Multitubo System has been marked with the KOMO®-mark in the manner as indicated in this Technical approval-with-product certificate.
- the Multitubo System provides the performances as described in this KOMO technical approval-with-product certificate, provided that:
 - the application conditions and technical specifications as described in this KOMO approval-with-product certificate are met;
 - the manufacturing takes place according to the processing methods as laid down in this technical approval-with-product certificate

Within the framework of this KOMO technical approval-with-product certificate there is no inspections with regard to the production of other parts of the Multitubo System or the processing of the Multitubo System.
